

WMS Uniform Sign Out Form 2018-19

Athletic uniforms are expensive, and we need to be able to use them for several years. Families must take responsibility for caring for assigned uniforms and ensuring that they are returned in good condition at the end of the season. If the uniform that you are issued is lost or damaged, the cost to replace it is \$40 (\$26/jersey & \$14/shorts).

It is highly recommended that uniforms not be placed in the dryer as it will last much longer if air dried.

By signing below, you understand the conditions of checking out a uniform and agree to return the uniform in good condition at the end of the season or pay the full replacement cost.
